2021 QwikRef Replay Report Recording Work Sheet (Communicator)

Entry (Stoppage, Booth Conf, Comment)	Play Number	QTR	Time	Team Snapping Ball	DN/ DIST/YDL (3/4/B34)	Reason (Text or Reason #)	ROF (Text or ROF #)	Result (Confirmed, Overturned, Stands)	Review Time	Stoppage Time	Coach Challenge (Yes / No)	TV TO Taken (Yes / No)

Note:

(1) In the interest of Expediency of Recording Data, Ok To Use the Number (1-36) of the New Stoppage Reason Codes to Populate The “Reason” And ROF’s Data Fields

(2) We Don’t Need To Get Involved With Details of a Review. I’ll Get Those Off the Video on DVSport 360 When I do the Replay Report in QwikRef.

(3) We Need to Make Sure Tech Enters Into DVSport the Same Data We Have.
